Officials' Biographies

Carter Bass was born in Durham, NC and was raised in a Navy family, moving numerous times throughout childhood. She is a graduate of the University of Washington with a degree in Physical Education. Carter has been involved with horses since childhood, competing in Hunters, Eventing and Dressage. She has been a dressage instructor for 40+ years, and her students have won numerous Horse of the Year awards, regional championships, and competed through Grand Prix. She has been a USEF Licensed official since 1989 – receiving “S”- Dressage and “R” Dressage Sporthorse Breeding licenses. Carter has also been a successful In-hand competitor, winning many Championships, including Dressage at Devon, with homebred horses and handling for other owners. She has been a breeder of Dressage Sporthorses for over 25 years, receiving numerous premium awards for foals. Carter has competed through Grand Prix winning Regional Championships and earning USDF Bronze, Silver and Gold medals on her homebred Oldenburg Gelding Gossamer.

Scott Peterson Scott started riding in 1972 and quickly earned his way through the U.S. Pony Club ranks. He rode his first Prix St. Georges in 1976 and competed at Dressage at Devon. Turning professional in 1978, he operated his own stable in the Detroit area before moving South Carolina in 1983. There he operated a large stable for five years where he usually had eight horses in training and taught over 200 lessons per month. In 1989, after marrying his wife, Katie, they built and operated OneWood Farm for twenty two years. Scott and Katie and their students competed throughout the southeast and spent their winters living, training and competing in Wellington, Florida. In 1996 Scott and his family moved with horses to The Netherlands for a year to live and train with Anky Van Grunsven and Sjef Janssen on a daily basis. Prior to working with Sjef and Anky, Scott had many mentors including Robert Dover, Violet Hopkins, Hubert Rohrer, Chuck Grant, and David Lackey. Over the years Scott has trained many riders and horses through the FEI levels. He and Katie both earned their USDF gold medals. Scott has been a USEF Dressage judge for over 30 years; he holds an “S” rating and he judges all over the country. He has judged many regional championships and judged the US Dressage Finals in Lexington Kentucky in 2017. He currently lives on Keuka Lake in Penn Yan, New York with his family and travels to do clinics and lessons.

Cheryl Holekamp has spent many years breeding riding horses with her husband, first as an avocation when she was working full-time as a surgical nurse and raising children, and later as a full-time occupation. She was a local winner in dressage, jumping, eventing, even some hunters. At the time, the Holekamps bred Trakehners at their New Spring Farm in Missouri, with great success. They owned the Trakehner stallion “Windfall” that helped the US earn the Team Bronze Medal for Eventing at the Olympic Games in Athens. Tim and Cheryl Holekamp were named Trakehner Breeders of the Year in 2019 and were honoured by the German Trakehner Society at the 2019 Trakehner stallion licensing in Neumunster. This is the first time that this honour had been bestowed upon American Trakehner breeders. Cheryl received her USDF Gold Medal in 2006 on her horse “Hera”. She is one of the few who have earned this honor on a horse they bred and trained themselves. She is currently a USEF ‘S’ judge and resides in Ocala, FL.

Nancy Lowey holds the USEF “R” dressage judge’s license and was previously a USEF Dressage Technical Delegate for over 20 years. Nancy has been a high school teacher and librarian in Virginia. She holds a B.S. in Education and Masters degrees in Library Science and Special Education. She trained and competed her horse at the Grand Prix level of dressage and holds the USDF Bronze, Silver and Gold Medals. As a dressage show organizer for over 20 years, she has show management experience, as well. Nancy has served as the VADA state president for two terms as well as president and co-founder of New York’s Orange County Dressage Association for 6 years. She was the vice-president for the VADA-Charlottesville Chapter and has been teaching the principles of dressage to students for around 30 years.

Robin Birk is the owner of Timber Ridge Equestrian Center where she operates a breeding program and dressage training facility. Robin really enjoys training young dressage horses at her farm in Ruffs Dale, Pennsylvania and is also an approved young horse trainer by the American Hanoverian Society (AHS). When not training, instructing or judging, Robin also enjoys working in the Pittsburgh steel industry where she is a safety and industrial hygiene professional.

Jessie Ginsburg has been an “r” dressage judge since 2017. She has earned her USDF Bronze and Silver Medals and Freestyle Bars. Jessie currently competes her KWPN gelding, Vodermus, at Intermediare-1. When not riding or judging, Jessie is a lawyer for the federal government.

Kris Hamilton is an active rider, trainer and “r” judge. She is a USDF Silver Medalist. Kris and her family operate Heather Ridge farm in Raeford, NC.

Jean Kraus is a Level 3 FEI Dressage Steward, as well as a USEF ‘R’ TD and ‘R’ C-2 Steward. She has been a TD for over 36 years and has served on many USEF committees and several USDF committees. Jean is currently a tenured professor in Equine Studies at William Woods University. Having served as a USEF licensed official since 1984, she has officiated at such events as the World Equestrian Games in Tryon, North Carolina in 2018 and Kentucky in 2010 and Rolex World Cups in Las Vegas. She is currently, or has in the past, served on the USEF Dressage Committee, the USDF Regional Championships Committee, the USEF Stewards and Technical Delegate Committee, the USEF C2 Stewards Task Force and am currently the chair of the USDF TD Committee. Jean especially enjoys educational projects for TDs and other Licensed Officials. Jean was selected as USDF’s 2020 Volunteer of the Year honoree.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

**USDF Membership Benefits:** USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at [www.usdf.org](http://www.usdf.org).

This competition is recognized by USDF for 2021

USEF Competition Name: Virginia Summer Dressage  
Competition Division(s) and Rating(s): Dressage Competition (LEVEL-3) NOT RATED  
USEF#: 328430

**Membership Requirements for USEF-licensed/USDF-recognized Competitions:** Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF-Regional Dressage Championships.)

**Exceptions:**

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in headline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Herd or Group classes.

**Memberships Defined**

**Participating Membership (PM):** A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

**Group Membership (GM):** A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

**Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF-BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

**Non-Member (NM) Identification Number:** For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

**Horse Identification (HID) Number:** A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF-Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR, it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

**Lifetime Horse Registration (LHR):** A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF-Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

Applications for USDF Participating Membership (PM), Business Membership (BM), Horse Identification (HID) number, and Lifetime Horse Registration (LHR) may be found in the following locations:
