

2023 Rosinburg Events Entry Credit Policy

for entries that cancel after the Closing Date

An entry (horse/rider combination) that cancels their entry after Closing Date and **notifies the show secretary, in writing, by 11:00 pm on Wednesday prior to the first day of competition**, will receive partial credit for future Rosinburg Events competitions to be issued under the following conditions:

- (1) 20% of the total of class fees and stabling/haul-in fees paid for the competition, in which the entry canceled, will be credited to **the next** Rosinburg Events competition after the last day of the competition in which the original entry was canceled.
- (2) For purposes of this policy, a “credit” is exactly 20% of the total of class fees and stabling/haul-in fees.
- (3) For purposes of this policy, the two back-to-back shows (RSD I & II) count as one competition.
- (4) No other fees, including office fees, will be credited or refunded. Partial stabling credit can only be used if stabling is reserved for a subsequent competition. However, a haul-in credit can be used to offset stabling at the next competition.
- (5) The credits can be used for **any horse with the same rider and/or owner** as originally entered and canceled (i.e., as listed on the original entry blank), but are otherwise non-transferable. Only one credit per canceled competition can be used at the next competition by the rider and/or owner of the original canceled entry, even if they enter more than one horse under different owners or riders. In case two parties request credit for the same canceled entry, credit will be applied to the person who paid for the original canceled entry.
- (6) Credits at shows are based on money actually paid and exclude credits applied to the show from a previous show. See example #2 below.
- (7) Credits must be redeemed by contacting the show secretary by email prior to entering the next show. The secretary will calculate the credit amount that is issued for the upcoming competition.
- (8) Example: If an entry pays \$200 in class fees and \$100 for stabling at the 2022 Raleigh Summer Dressage, and notifies the show secretary by 11:00 pm on Wednesday of the competition week that she is scratching her entry for the entire competition, she would earn \$40 in class fee credit and \$20 for stabling credit to use at the next Rosinburg Events competition. This credit will expire if not used at the 2023 Raleigh Winter Dressage competition.
- (9) **Competitors are responsible for notifying the Secretary for EACH show, before its Closing Date, if they would like to redeem eligible unused credits. The Secretary will not automatically apply credits and is not responsible for notifying competitors if they are eligible for credits.**
